We consider it a privilege to receive the books and media resources you send us for review in our quarterly magazine, *Church Libraries*. These reviews assist Christian librarians in making wise purchasing decisions for their church and school libraries. We have also appreciated generous publisher and supplier support for our annual fall conferences.

Your partnership with ECLA is deeply appreciated; in fact, it is a critical part of the ongoing success of our ministry. With the exception of our editor, Lin Johnson, and like most of the librarians we serve, our organization is run entirely by volunteers. Our only source of funding comes from membership and conference fees. We at ECLA believe that God uses books and other media; and that together with you we can strengthen the Body of Christ. This year we will be adjusting our membership cycle to coincide with our annual fall conference. Memberships will begin in September and your complimentary subscription of *Church Libraries* magazine begins with the Fall issue and ends with the Summer issue of next year. Anyone who wishes to join in the middle of the membership cycle will have his membership fee prorated. In recognition of your importance to our ministry, we are offering a generous benefit package to publishers and organizations in exchange for a yearly membership fee of just \$100. The benefits are:

- ✓ **A free subscription to our quarterly magazine *Church Libraries***
- ✓ **A listing of your support in each issue of our magazine, benefiting both you and our readers**
- ✓ **A 20% discount on ads placed in *Church Libraries* magazine**
- ✓ **A free link from our web site to yours**
- ✓ **A one-time free use of our ECLA database, in Microsoft Excel, on disk (about 1500 names)**
- ✓ **A conference exhibitor discount of 50 %**

We invite you to prayerfully consider this opportunity to join with us in strengthening our ministry to Christian librarians. If you have any questions or suggestions as to how we may serve you more effectively, please e-mail us.
